

CHAMBER MISSION STATEMENT

The Berlin Chamber of Commerce exists to provide leadership and services and to represent our members so their businesses and our community will prosper.

The Chamber is a dynamic group of citizens and business people, working together for the betterment of our community.

Every membership is an investment in your community's future. The more involvement we have, the greater the success for the Community and you to grow. Your membership helps enable the area where you work, live and play to prosper and grow.

Membership Advantages

For only \$100, added to the regular membership dues, we can help you become a member of either (or both if you choose for \$100 each) the Oshkosh Chamber of Commerce or/and the Omro Chamber of Commerce. The additional monies will offer you the following additional benefits:

- Listing in Green Lake Country visitor guide
- Additional Chamber Directory listings
- Additional website exposure
- Inclusion in Chamber News Letter
- Assistance and additional support of Grand Openings/Re-Openings
- Cellular Phone Plans
- Internet services
- FREE introductory advertising with the Berlin Journal
- ...And much more! See your chamber director for more information!
